

## **37SOLUTIONS Enters Into the Rackspace Partner Program**

*37SOLUTIONS Relies on Rackspace to Provide Customers with a Reliable and Scalable Hosting Infrastructure*

**PITTSBURGH – 7/10/2012 – 37SOLUTIONS, LLC** today announced they have entered into a partnership in the Rackspace® Hosting Partner Network, (NYSE: RAX), the service leader in cloud computing. This agreement is designed to add mutual value for their current clients and to increase targeted exposure and reputation for both companies.

Rackspace provides our customers with a solid and reliable infrastructure on which to grow their business. Their unparalleled managed hosting expertise backed by Fanatical Support® provides our clients the best solution to succeed, ultimately increasing our customer loyalty and profit margin through a mutually beneficial relationship.” said Gregory Duffie, CEO, 37SOLUTIONS.

37SOLUTIONS Web Hosting & Design uses Rackspace’s CloudSites offering to make sure their customers’ websites scale to demand. CloudSites also allows 37SOLUTIONS to concentrate on customer needs instead of server maintenance.

We look for synergistic relationships with industry leaders like 37SOLUTIONS that enable us to add greater value to our customer base and sustain our ongoing commitment to Fanatical Support.”, said Christopher Rajiah, Rackspace.

### **About 37SOLUTIONS**

37SOLUTIONS is a technology company dedicated to helping individuals and small businesses enhance their web presence in an increasingly complex environment. Conveniently located online, 37SOLUTIONS professionals work closely with clients to anticipate, clarify and overcome complex technological challenges in areas such as Website Hosting, Website Design, Website Management, Email Marketing, Search Engine Optimization, Social Media Management, SQL Server Database Administration and Computer Repair.
